

North Carolina Roster for National Child Traumatic Stress Network Resource Parent Curriculum Facilitators

The following roster represents those professionals who have completed facilitator training requirements with an RPC Master Trainer from the Center for Child and Family Health according to the [NCTSN RPC Training Guidelines](#).

RPC Master Trainers employed by or affiliated with the Center for Child and Family Health who have trained these facilitators include:

Tripp Ake, PhD Kate Murray, PhD
 Holli Sink, PhD Kelly Sullivan, PhD

The individuals listed below have demonstrated their ability to facilitate this 16 hour curriculum with foster, adoptive, kinship, and/or therapeutic foster parents and they understand and prioritize the importance of delivering RPC groups with a parent co-facilitator.
